DECEMBRRR DAZZLE

Election Results

by Jeffrey DeMars, Communications Manager

According to the Office of the Minnesota Secretary of State, incumbent Mayor Kirt Briggs was re-elected to a third term as mayor.

City Councilmember Kevin Burkart challenged Briggs and with all precincts reporting, Briggs earned 54 percent of the vote and Burkart received 45 percent.

Burkart's open City Council seat will be filled by Ethan Hellier. Hellier ran unopposed, as did City Council member Zach Braid, who was re-elected to his third term. Current terms expire on Dec. 31, 2024, and the four-year new terms being Jan. 1, 2025. Mayor and City Council members serve staggered four-year terms.

Thank you to all of the dedicated poll workers. Their hard work and commitment ensure that our elections are fair, accessible, and run smoothly.

The City of Prior Lake has completed and submitted its water service line materials inventory to the Minnesota Department of Health. As of Oct. 23, 2024, the City's inventory contains 10,092 non-lead service lines, eight galvanized service lines, and 452 service lines with unknown materials. If you are one of the 452 service lines with unknown materials, you received a letter in the mail with more information. To learn more, go to priorlakemn.gov/LSL or to check materials for your water service line search your address: <https://maps.umn.edu/LSL/>

A special thanks to the Rotary Club of Prior Lake for tidying up Gateway Park. A little fall cleaning goes a long way and the park is looking great!

Winter parking restrictions are now in effect. No parking on city streets between 2-6am until March 31.

Public Works requests that you please keep your garbage and recycling bins out of the street for the City's sweepers. With snowplows soon to follow, creating a habit of keeping bins out of the street will help our crews down the road. Fewer obstructions make for a cleaner and safer street surface year-round.
